Student's Nai	ne:

Final Skills Checklist

The skills listed below are included in the Skills portion of the Idaho Nursing Assistant Curriculum. Each student should demonstrate competency in every area either in the lab or the clinical setting. Competency should be indicated with a check in the appropriate setting box and the instructor's initials and date in the appropriate box and verified through the instructor's signature at the end of the checklist.

#	Skill	Clinical Setting	Laboratory Setting	Initials and Date
1	Interpersonal Communication			
2	Body Mechanics			
3	Hand Washing			
4	Donning an Isolation Gown			
5	Removing an Isolation Gown			
6	Donning and Removing Masks			
7	Donning and Removing Gloves			
8	Denture Care			
9	Helping a person to the Commode			
10	Perineal Care-Female			
11	1 Perineal Care-Male			
12	2 Giving a Bed Bath			
13	Giving a Back Rub			
14	14 Nail Care (Hands and Feet)			
15	Brushing Hair			
16	16 Oral Hygiene for the Unconscious			
	Person			
17	Observing People Receiving IV Therapy			
18	Undressing and Dressing a Person who has Limited Use of Limbs			
19	Application of Anti-Embolic Stockings			
20	Making an Unoccupied Bed			
21	Making an Occupied Bed			
22	Serving a Meal Tray			
23	Feeding Helpless People			
24	Taking a Blood Pressure			
25	Taking a Radial Pulse			
26	Counting Respirations
